RE: Continued Resource Protection Phase 2A

Dear Laura:

This letter is to acknowledge receipt of your application for Reclamation and Development planning grant funding. DNRC staff is now in the process of reviewing and ranking all applications received. We expect to complete this process by July 20, 2007. You will be notified of the department's decision on funding at that time. Successful applicants will receive follow-up instructions regarding grant contracting requirements.

I want to thank you for your time and effort in preparing an application. If you have any questions regarding your planning grant submittal or the review process, please call me at (406) 444-6723.

Respectfully,
